Note: "Purchase money" includes all revenues collected during the reporting fiscal year from all ongoing cases leading to patent; however, this money is not always received in the same year that the patent is issued. Purchase money enters into the land exchange process because exchanges must result in equal value given and received by both parties; this means that cash payments are sometimes made or received by the Bureau of Land Management to ensure an equitable exchange.

- /a/ Includes National Forest Service Forest exchanges, Act of March 20, 1922 (42 Stat. 465; 16 U.S.C. 485) as amended; Federal Land Policy and Management Act (FLPMA) exchanges, Act of October 21, 1976 (90 Stat. 2756; 43 U.S.C. 1716); and other exchanges. Refer to Table 5-8, Land Exchanges, for more detailed information.
